

# Year 3 Summer Curriculum Newsletter

## Welcome Back!

Dear Parents & Carers,

Welcome back to our final term of year 3! Throughout the year the children have worked exceptionally hard, and we are in no doubt that, they will continue to do so over the next few months. As the term goes on, we will also be preparing the children for their transition to year 4.

During the summer, school can become very warm so we recommend children come to school every day with a water bottle so they can remain hydrated (this could be a drink frozen at home if you choose) and take off their jumpers, however, we ask that these be **named** to avoid jumpers going missing.

As the weather gets warmer, please ensure children apply sun cream before school on sunny days, as we will be spending more time outside – hopefully in the shade.

## What will we be learning?
