

# YEAR 4

## Autumn Term

## Welcome to Year 4

## We will be learning...

## Homework

**Welcome back to a new school year! We hope you have all had a lovely summer break.**

First, let us introduce our Year 4 team:

**Class 4 - Miss Quick**

**Class 5 - Miss Chisnall & Miss Scott**

**Class 6 - Mrs Becousse**

The children will also be supported by Mrs Bridgeman who they are also familiar with!

As a team, we all have very high expectations of both ourselves and the children. We will encourage them to do their best and work hard so that they are able to reach their full potential. This year, we hope that our children will continue to develop independence, confidence and learn lots along the way... of course we will have lots of fun too!

**Please note: Our PE and Outdoor Learning days can change each week** so please make sure that the children's kits are in **on Monday** and we will send them home again on Friday. The uniform for these is found on the school website.

**English:** We will be looking at Fables and creating our own narratives based on these. We will also be writing a biography linked to Black History Month.

**Maths:** We will be furthering our knowledge of place value up to 10,000 and refining our methods for addition and subtraction.

**Reading:** Our class text is '*The Nothing To See Here Hotel*'. We will also be reading books using Bug Club.

**History:** Invasions - from Anglo-Saxons through to the Norman Conquest.

**Science:** We will be learning about ecosystems, food, teeth and the digestive system.

**Geography:** Interconnected World - our topic includes using a compass, grid references and exploring climate through North and South America.

**PSHE:** Being me in my world

**We also have a variety of RE, PE, music, French and computing. units too!**

Homework will continue to be set online each week through Atom Learning. The homework set is relevant to our current topics and ongoing learning.

**Maths** – Set on a Monday, due Friday.

**English** – Set on Wednesday, due the following Tuesday.

**Reading** – The children should read at least three times each week and this is recorded into their reading diary. Any reading counts – independent, reading aloud, recipes, instructions etc! Diaries should be handed in on a Monday. Recorded reading = prizes!

**Times Table Rockstars** – in Year 4, times tables are particularly important as we work towards the statutory Multiplication Check at the end of the year. Practise makes perfect, so we encourage the children to log into TTRS each week. This not only helps to build confidence but also gains points for our in-school battles!

**Please do not hesitate to contact us if you have any questions: our doors are always open!**

**Finally, a BIG thank you for your support! We are looking forward to working with you this year! The Year 4 Team 😊**
