

Get Together

with parent carers of children and young people under 5 with additional needs

** NEW ** Under 5's Get Together

Do you have an Under 5 with additional needs or disabilities?

Whether your child has a diagnosis or not, or you are unsure whether your child may have extra needs and would just like to have a chat with a friendly face and meet other parents- we'd love to see you.

Everyone welcome!

**Friday 17th
September, 11am**
